

Kent Police Archery Club

Club Championship Rules 2026

The Club Championship will take place over three dates during the Outdoor season and the best score from the individual archer will be taken for their Club Championship score.

Round: Metric 80-30

Disciplines: Barebow, Recurve, Longbow and/or Compound

Rules:

During this period, on three dates there will be specific disciplines shooting as per the below:

- Saturday 25th April – Longbow
- Sunday 10th May – Barebow
- Saturday 4th July – Recurve & Compound

All scores must be registered on Golden Records to count.

A rolling handicap will be used on each of the days.

Only scores completed on the Club Championship days above will be counted.

An archer can shoot any of the disciplines they are able to, for example, an archer can shoot longbow, barebow and recurve and their best score will be used for the Club Championship from any of these disciplines.

The archer with the best score after all the above days will be classed as the Club Champion at the Frostbite shoot.

Good luck and straight arrows to all !
